The application has been amended as follows:

**In the claim**

Claims 1, 3-5, & 9 have been canceled.

**Reasons for Allowance**

3. The following is an examiner's statement of reasons for allowance:

The prior art does not disclose or fairly suggest a method of preparing a purification catalyst for exhaust gas, which requires the process steps as set forth in claim 6 and in combination with the requirement that wherein the purification catalyst comprises a Pd oxide consisting of  $\text{Ln}_2\text{PdO}_4$  supported by  $\text{LnAlO}_3$ , wherein Ln is a rare-earth element.

There is no motivation to combine the teachings of the references together.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled "Comments on Statement of Reasons for Allowance."
